Happy New Year!

After the whirlwind of the Holidays, don't you love the crisp new promise that a new year brings? We sure do! We are very excited about the coming year, and about the new opportunities to serve you that it will bring.

But first, let's take a quick look at the highlights of the past month:

Claudia McClain

I was surprised and humbled to be named **"Everett Chamber Employer of the Year"** at the **2010 "Night of Stars" Chamber of Commerce Gala**. Thank you so much for this unexpected honor!

I am inspired daily by the dedicated local small business owners who help make Everett such an amazing place to live and work.

Nick Pembroke

"Stocking Stuffer Friday" was a great success, and many of you stopped by to pick up a last little gift or two for your loved ones. It was so nice to see you and have the opportunity to wish you a Merry Christmas in person!

Laura Paradis

Many thanks to the hardworking 'elves' at ServiceMaster for allowing us to participate in their **"Toys for Tots and Children's Hospital" Toy Drive**, and to our generous clients who made the toy drive such a success.

Nathalie Stamey

Last but not least, on December 31st, it was our pleasure to announce the **Winner of our iPad Give-Away: Barb Bullard!** Barb's name was drawn from a large pool of clients and friends who provided a referral this quarter. **Congratulations, Barb!**

(Pssst - you have another chance at winning an iPad this quarter. Please turn over for more information.)

Mary Fisher

With the new year, we look forward to our 'Big Move' into the new office space next door. Please stay tuned for updates. Until then, we wish you all the best for a safe, healthy, happy, and prosperous new year!

"The Only Constant Is Change"

We find there to be a lot of truth in this quote by the Greek philosopher Heraclitus. Indeed, life's circumstances have the habit of changing a lot. And sometimes, these changes can affect your insurance needs.

The good news is that even if circumstances change, your insurance agent doesn't have to! With us, you have a team of independent agents on your side. We are not loyal to an insurance company. We are loyal to you, our client.

That means if you need an 'insurance change', we can find the right fit for you, *even if that means changing your insurance company.*

(Can you imagine the convenience? No searching for documents, no hours spent on the phone or on hold, no digging for VIN, DL# or other odd numbers. A simple phone call to McClain Insurance, and we will get to work for you. How easy is that?)
