

McClain Insurance  
Fact Sheet:

# What an Independent Insurance Agent Can do for you

## About McClain Insurance Services

McClain Insurance Services is your independent, one-stop insurance center for all your personal insurance needs. Just one call can get you a customized proposal package with rate quotes from a variety of quality companies. We make insurance shopping easy!

## We Custom-Build Insurance Protection For Your Needs

But that's not all. We strive to build long-term relationships with our clients, providing you with professional advice, policy reviews, and recommendations that match your changing needs over time.

Company A no longer fits your needs? We can move your protection plan to Company B. Better rates with Company C? We'll set you up. And the best part: You don't have to do it yourself! You put us to work.

## Here's How It Works

By representing competing insurance companies, we have choices, which in turn, means **you** have more choices. Our companies have to earn our recommendation. This forces them to work harder for your business. And that competition can save you a lot of money, provide broader coverage, and deliver more value!

It also allows us to customize a protection plan specifically tailored for your needs and budget. You see, if an outfitter only sells one-size-fits-all jackets, all you can get there is a one-size-fits-all jacket. But you might be better off with a jacket that fits you, not anybody else. It might fit better. It might keep you warmer.

**We're Independent, so you get the best protection at the lowest price**

## Our Independence Yields The Best Value for You!

We carefully select the companies we represent for their rates, the robust portfolio of their products, and their responsiveness to claims. We consider PEMCO, Safeco, Travelers, and Progressive to be among the best insurance companies available in the Pacific Northwest.

McClain Insurance Services has been providing expert insurance advice to Washington families since Claudia McClain founded the agency in 1977. Our agents have over 60 combined years of insurance expertise. And, we are 100% local. We live and work right here in Snohomish County, and we proudly support our community, including The Everett Public Schools Foundation, as well as sponsorship of National Night Out, Cinema Under The Stars, and the Everett AquaSox.

Our team of agents continually pursues additional professional education and certifications. It is our goal to 'wow' you with the best service every time you call.

## You Can Trust McClain Insurance Services

McClain Insurance Services has been recognized with numerous industry and community awards, including:

- BBB Western Washington Business of the Year Torch Award 2012
